EXCLUSIVE SHOPPING TOUR

Experience London's exclusive & luxurious shopping at its best

Today you will experience London's shopping at its best: exclusive, luxurious, entertaining and not to be outdone.

You will be picked up from your hotel and transferred to Knightsbridge just south of Hyde Park, passing by Green Park, the Ritz, Hyde Park Corner and its memorials and monuments.

Harrods. The ultimate department store, where you really *can* get anything will be your first stop. Having been advised of your preferences and interests we will have prepared an exclusive session with one of Harrod's personal shoppers, offering you a glass of champagne, having prepared a selection of clothing or other goods you might be keen to sample.

Following this shopping extravaganza, and a tour of Harrods' Food Halls, a stop at Paris' Laduree Patisserie and café on the ground floor of Harrods. In your own private room you will enjoy its famous macarons, with a choice of hot or cold drink.

Rejuvenated, we will accompany you over to Sloane Street where you will find every major luxury goods retailer.

Includes:

- * London Tour Guide
- * Transfer to and from Knightsbridge
- * Drinks during pre-arranged personal shopping sessions
- * Coffee, tea and macaroon snack at Laduree.
- * Two course lunch including 2 glasses of wine, water, tea/coffee at Harvey Nichols' Fifth Floor Restaurant
- * Gratuities as standard

Following a chat with you prior to the tour, we will take you for a private tour of one of the shops, such as Valentino, Dior, Versace, Gucci, Prada, etc.

A late lunch at Harvey Nichols' Fifth Floor Restaurant, on the top floor of the other major department store in Knightsbridge, made famous by TV's hit series 'Absolutely Fabulous' will round off this tour. Afterwards, you will be free to continue browsing or shopping before returning to your hotel.
