Example

As you read this your Chauffeur will be driving you from St. Pancras to your deluxe room at The Sanctum Soho Hotel in Warwick Street. Once you have checked in you will have some time to relax and enjoy a luxury lunch hamper from Corrigan's Restaurant.

Sanctum Hotel is an oasis of comfort, style and sophistication in the heart of London's buzzing West End. Situated on Warwick Street, two beautiful Georgian townhouses have been converted into a sumptuous 30-bedroom boutique hotel - an exclusive and extravagant playpen for the most discerning of guests.

Luxury Dinner at the Ivy:

Celebrity haunts are notoriously ephemeral as fashions come and go. Not so at The Ivy, which has maintained its A-list credentials for decades. Concealed behind the pretty stained-glass windows of the unassuming frontage, diners (the famous, the successful, & those just lucky to have bagged a seat) are waited on by staff who, through unseen hard work, seem to do everything right. The place attracts bountiful favourable comments from readers. First there's the something-for-everyone comfort food – be it the signature fishcakes, steak tartare, calf's liver, bang-bang chicken or kedgeree. Regulars might also notice the odd flight of fancy: perhaps perfectly timed sea bass with a zingy soy infusion. But it's the relaxed, club-like luxuriance that creates such affection, with an ambience that 'seems to lift your mood as soon as you sit down'. It's 'posh, but not in an intimidating way'.

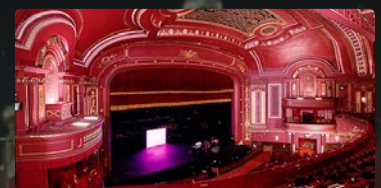

Your Chauffeur will pick you up at The Hotel to take you to The Ivy. En-route you can make arrangements if you would like to be picked up after dinner or if you would like to make the short walk from the Restaurant to the theatre.

“We Will Rock You” at the Dominion Theatre
